Term Three 2024

Yet again another super busy term with lots of activities for the children. We've seen the return of lego week - which is always a firm favourite with the children and this year showed so many collaborative activities across the ages. We've continued to get outside when the weather permits but this term always feels a bit hibernating! As the days get longer we are spending more and more time outdoors and can't wait to get back on the grass once it is dry enough.

We are on the look out for bank staff! We have a great team with all our regular session filled with staff but on occasion where training or illness strike we are keen to take on staff who can step in on an ad hoc basis. If you know anyone who might be interested, please email Anna: thedenclevedon@outlook.com

Thank you for your continued support.

The Den

Under The Sea Craft Board

Located in the hall, the project saw the children using different art techniques such as sponge painting and stencilling to create their very own sea characters! The addition of this craft board is a fantastic way to brighten up the walls in the hall!

Lego Fortnight!

Always a favourite week at The Den - this year did not disappoint!

Children were given lots of opportunity to play with the vast amount of Lego we have and we always find this a great way for the younger and older children to collaborate. You'll see in some of the photos that challenge activities saw all ages supporting each other.

We did Lego challenges, built wacky towers, had amazing fun with zip wires, made balloon powered cars that we raced AND made Lego men biscuits!

Winnie the Pooh Day

(yes it is a thing!)

On national Winnie the Pooh Day we shared and learned facts about the A.A. Milne character, had our very own tea parties (and BBQs!) with him, shared in a story and created some artwork and of course - had a lovely cuddle!

The Den Outreach

- Supporting our local young people, we have had many work experience and volunteer placements. We are delighted to have Finlay with us at the moment. Finlay is doing his Duke of Edinburgh volunteering and he's very happy to get stuck in!

Everyday
FUN

We showed the children one of the old photo albums from when we first started in 2015

FEES

Fees are due on the 1st of the month.
A reminder is sent in the last week of each month to preempt this.
Voucher companies can take over a week to process your credit and often we find that fees are not paid until the second half of the month.
Please do try and make payments on time.

CLUBS AND EVENTS

Just a reminder that when a child has a school based club, staff at The Den will collect them and bring them to the session where they will get their snack!
